## THE DEXTER ADVANTAGE

### Our Company

For over 125 years, Dexter Laundry has been helping people around the world process laundry faster and more efficiently. We design, build, and support all of our products from our advanced manufacturing facility located in Fairfield, IA, USA.

### Our Products

Every product is engineered, manufactured and tested thoroughly to ensure that it will show up for work, cycle after cycle, year after year, in even the harshest laundry environments. We believe that every Dexter-branded product should be made by us and we refuse to compromise on the quality of the materials used to build every machine.

### Our Distributors and Customers

Dexter products can be found in an assortment of laundry locations serving a wide variety of industries. Our products are currently sold and supported by Dexter Authorized Distributors in more than 40 countries around the world with more distributors being added every year.

### Our Promise

As an employee-owned company, we are committed to helping our customers achieve long-term success by providing them with laundry solutions they can depend on. With lifetime technical support and industry-leading warranties, you can be confident that we stand behind every machine you invest in.
